1. Award Conditions

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and Alaska Energy Authority
For FY08-09 Project Administration
Award No. 01041, Amendment 2
September 2009***

All changes to the award conditions are noted below.

1. Scope of Work

This amendment modifies the existing award to include Alaska Energy Authority's (AEA) direct costs of administering both FY08 and FY09 Denali Commission (Commission) awards. Funds in the amount of \$293,206 are added to this award to specifically administer FY09 Commission awards. The administration funds are calculated at 3% of the total project funding for the fiscal year. In FY09, \$9,773,543 was awarded to projects administered by AEA.

Allowable costs include the direct costs of AEA personnel time devoted to and identified on their timesheets for the performance of project management of FY09 awards. Also allowed are direct project management costs such as travel, contract work, etc. as further defined in the FY08-09 MOA.

2. Award Performance Period

The amended Award performance period is August 1, 2008 through December 31, 2012. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
